Fellow Red Angus Breeders and Friends:

I want to start by thanking all our past and future customers. As your seedstock partner, we know the difficult task of selecting quality genetics, that work for your operation. We know that everyone has different qualities that are most important to them. We understand that your family's livelihood is ultimately determined by pounds on the truck, and we feel our responsibility to do our part by helping you have heavier calves, better carcass quality, and trouble-free mother cows. We strive to identify and produce animals that optimize performance and minimize production obstacles in your herd and ours. At the end of the day, the cattle business is about you, our friends and partners.

We are again excited to bring you a group of bulls we are excited about. The quality in these bulls is top notch and the competition is tough to make it into the sale. Each bull in the sale has been hand selected based on the following traits: soundness, structure, docility, performance as well as calving ease, growth and maternal. All bulls are sold guaranteed and have passed a breeding soundness exam. All bulls have been tested negative for BVD. This year we will again be taking ultrasound measurements for carcass data.

The bulls are fed in our own bull development feedlot on hay, silage, oats, corn, and a protein supplement ration. The protein supplement is a blend of natural by-pass proteins that provide essential amino acids for improved feed conversion. This means we get the desired gains using less grain. It also helps produce more muscle and less fat. This ration is designed for a 3lb/day gain.

There will also be a fancy, fancy set of home-raised commercial yearling replacement heifers that will follow the bulls in the sale. These heifers are raised right alongside of the heifers that we keep as our own replacements. When selecting for replacement females we are selecting for the same traits as the bulls but focusing on feet and udder qualities. The replacement heifers are fed a maintenance ration in the feedlot to condition them for breeding. The average weight on the heifers is about 850 lbs.

Feel free to stop any time before the sale to look at the cattle. Calving has started, and someone will be around whenever it is convenient for you. Please join us on Friday, March 4th, at the Ranch feedlot. Lunch will be served starting about 11:30 and the sale starts at 1 PM (MST). We hope to see you there!

Bob, Laurie and the Sutherland Farms Crew!

**Please bring this catalog
with you on sale day!**

The Crew

FRIDAY - MARCH 4TH 2022

At the Feedlot, 415 Spooner Creek Lane, Stevensville MT 59870
1PM MST, Lunch to be served at NOON

Auctioneer:

Joe Goggins
Office (406) 373-6844 eve
Cell: (406) 861-5664

Sale Day Phone:

(406) 642-3487 (406) 369-1202 (Bob S. Cell)
(406) 642-3533 (406) 544-0043 (Lacey's Cell)

Buyer Representatives:

John Goggins..... Western Ag Reporter (406) 698-4159
Rachael Oliver RAAA Commercial Marketing Specialist
..... (406) 480-1569
Devin Murnin..... Western Livestock Journal (406) 696-1502
Karoline Rose K Rose Cattle (406) 577-6310
John Henry Beardsley..... Superior Livestock (406) 853-4938
Gary Wall GW Genetics (406) 208-8536

Phone Bids:

We urge all bidders unable to attend the sale to contact us or the Buyer Representatives for any questions or Bids you may have. Your Bids will be treated with the strictest of confidence. You may also use Superior Livestock to bid, see instructions on page 2.

Sale Terms:

Will be followed as stated by the American Red Angus Association.

Sale Order:

Bulls will sell in catalog order unless otherwise stated.

Retaining Interest:

All bulls sell with full possession. Sutherlin Farms reserves the right to keep 1/2 semen interest on all bulls sold.

Cattle Viewing:

Cattle are housed and fed at the feedlot (location of the sale). We welcome you to stop by anytime to sort through the cattle prior to the sale.

Announcements:

Changes or updates to the catalog will be announced from the block and will take precedence over information in the catalog.

Lodging:

Stevensville Hotel (406) 777-3087
Bitterroot River Inn, Hamilton, MT (877) 274-8274
Days Inn, Lolo MT (406)273-2121

Delivery:

Free delivery within 500 miles of Stevensville, MT on all bulls sold. Free delivery in the contiguous 48 states on any bulls selling for at least \$3250.00. Sutherlin Farms will help arrange trucking for cattle sold outside this area. Cattle will be delivered in March and early April unless other arrangements are made. We will give a \$50 deduction for all bulls taken home sale day. Please Note: if you are out of state, Health Certificates will not be available sale day. Delivery of commercial females is the responsibility of the buyer. A feed charge of \$2.80/day will be charged for commercial heifers left over ten days. We would be glad to help assist you in making travel arrangements.

Transportation:

Commercial air service is available for Missoula via Frontier, United, American Airlines, and Delta.

First Breeding Season Guarantee:

All bulls selling for \$3000 or more, will be covered by Sutherlin Farms if they are injured their first breeding season. This guarantee does not include death as that can be insured for. Breeding season is defined as a 90 day period following the first turnout of bulls. Sutherlin Farms will work with the buyer and either (1) replace the bull with a comparable animal if one is available, or (2) credit the buyer with the purchase price, less salvage, at the next sale. All injured bulls must be diagnosed by a veterinarian. We also reserve the right to a second opinion by a veterinarian of our choice. All claims must be made in the same year the bull was originally purchased.

Insurance:

Mortality Insurance is available, contact John Goggins for more information, (406) 698-4159, American Live Stock Insurance - Markel.

Herd Health:

All cattle will sell with proper health papers for interstate shipment. A complete breeding soundness exam has been performed. All bulls have been tested negative to BVD. If you have certain questions about our health program please contact us or our Herd Veterinarian: Dr. Dick Richardson, DVM. All females have had their pre-breeding shots; Pyramid 5, Vision 8, and Clean-Up II.

Volume Discount:

We will offer a volume discount on bull purchases. If you purchase 5 bulls you will receive a 5% discount on your total bull purchase. If you purchase 6 or more bulls you will receive a 10% discount on your total bull purchase. As always we offer free delivery for all bull purchases within 500 miles of the ranch.

Superior Livestock Bidding Information

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

Here's How It Works:

Turn in Bids Over the Phone: This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid: This is Superior's online bidding platform for cattle buying. ***Please note that high speed internet is required – this is not for dial-up or satellite internet.*** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy - just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction: There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid on the internet, but you must be a member of www.superiorclicktobid.com to "clickto-bid". Your computer must have Flash Media Player installed for this website to view the auction.

****If you plan to bid by phone through Superior Livestock or 'Click-to-Bid', you must register at www.superiorlivestock.com prior to bidding.***

If you have any questions, please call the Superior Productions office at 800-431-4452.

Bidders who are successful in making purchases via the internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

A-BAG-A-BULL

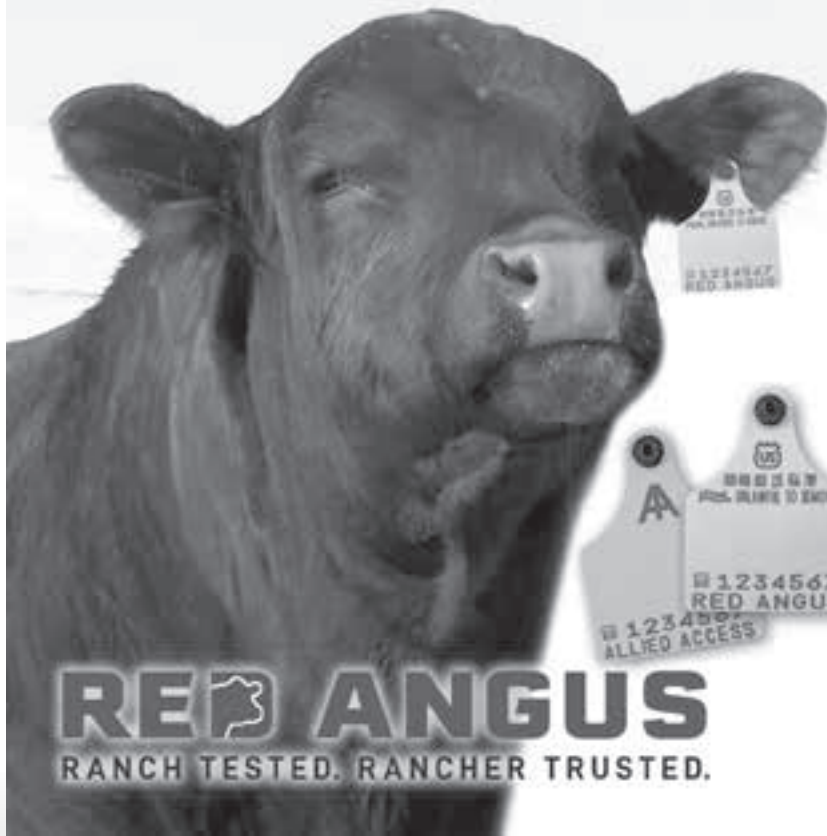

If you purchase a bull from us, we will provide you with credit equal to the value of one bag of Feeder Calf Certification Program or Allied Access tags for each bull you purchase. To redeem your credit, bring your receipt for the tags to next year's sale and we will apply it to your bull purchase.

The FCCP provides age, source and genetic verification for calves sired by registered Red Angus bulls. Cattle enrolled in the FCCP are accepted into the exclusive Choice+ and G.O. Red grids. The FCCP 'yellow tags' are recognized by buyers nationwide and return a premium for Red Angus calves enrolled in the program.

The Allied Access program provides age and source verification for commercial cattlemen whose bull battery does not exclusively contain registered Red Angus bulls. Whether you are utilizing multiple sire breeds or halfblood bulls, enrolling in Allied Access demonstrates to buyers that you are taking an extra step in marketing your calves and adding value throughout the production chain.

To enroll in the FCCP or Allied Access, contact the Red Angus marketing department. Enrollment is simple and free of charge.

Ranks in the top 8% of the breed for REA.

Commercial Heifers

Lots 86-245 are the commercial heifers. The heifers offered here are all home-grown and have NO brands. The heifers have had their pre-breeding vaccinations and have been deliced. The heifers should weigh approximately 800 lbs. on sale day. They will be grouped in pens of 30 and sold in lots of 5. We will bring into the ring the first 5 heifers from each pen. They will represent the entire pen. The successful bidder will then have the right to take as many of the heifers in this pen, in 5 head increments, as he wants at the same price as the first 5 lots. Thus, he could buy 5, 10, 15, 20, 25 or 30 heifers in one bid.

Terms & Conditions

1. **BIDDING**

The Auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

2. **TERMS**

Terms of sale are cash unless satisfactory credit arrangements have been made.

3. **PURCHASER'S RISK**

Each animal will become the risk of the purchaser as soon as sold. Insurance will be available sale day.

4. **CERTIFICATE OF REGISTRY**

A transferred certificate of registry will be furnished to the Buyer for each animal after settlement has been made.

5. **HEALTH**

Health certificates will be furnished for shipment anywhere in the United States.

6. **BREEDER'S GUARANTEE**

All bulls are guaranteed to be breeders. All claims for adjustment or refund must be made in writing within six months of the sale date. In the event an animal is claimed to be a non-breeder, the Seller shall be entitled to six months' trial following the return of the animal in which to prove the animal is a breeder. If at the end of six months the Seller is unable to prove the animal is a breeder, restitution shall be made, in compliance with the terms set forth by the Red Angus Association of America. Any expenses incurred for transporting the animal shall be the buyer's responsibility.

7. **ANNOUNCEMENTS**

Any announcement from the seller on sale day will take precedence over printed material.

8. **LIABILITY**

Everyone attending this sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.

9. **CONTRACT**

The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

Thank you to Trail West Bank for sponsoring our sale lunch!

Mindy, Cody, Tripp, & Jett

Bob & Laurie

Lacey, Chad, Cayden

Rich, Chad, & Josh

Josh, Josh, and Chad

We would like to thank all of our employees, friends and family for all of their help with the sale. Without them we would not have gotten everything done!

Red Angus Guide to EPDS and Indexes

ProS... Profitability and Sustainability is an all-purpose index that predicts average economic differences in all segments in the beef supply chain. This index is a combination of the breeding objectives modeled in the HerdBuilder and GridMaster selection indexes. In this index, replacement heifers are retained from within the herd and all remaining progeny are fed out to slaughter and sold on a quality-based grid. Traits included in this index include calving ease, growth, HPG, STAY, Mature Weight, Dry Matter Intake and carcass traits. The resulting index is expressed in dollars per head born (Index/High Value).

HB..... HerdBuilder is a maternal selection index that predicts the economic differences of animals for traits that are important from conception through weaning. Expressed as dollars per head born, HB is calculated based on the scenario that bulls are mated to heifers and cows, replacement heifers are retained and all remaining progeny are marketed at weaning. Traits included in the HB index include Calving Ease Direct, Calving Ease Maternal, Weaning Weight, Milk, Mature Weight, Heifer Pregnancy and Stayability (Index/High Value).

GM..... GridMaster is a selection index that predicts the average economic difference of non-replacement calves through the post-weaning phase of production. GM places selection pressure on growth, feedyard performance and carcass traits. Expressed as dollars per head born, GM is calculated based on the scenario that progeny are fed out to slaughter and marketed on a quality-based carcass grid. Traits included in GM include Average Daily Gain, Carcass Weight, Dry Matter Intake, Marbling, Back Fat and Rib Eye Area (Index/High Value).

CED..... Calving Ease Direct predicts differences in the percent of calves born unassisted out of 2-year-old dams. (Percent/High Value)

BW..... Birth Weight predicts differences in actual birth weight of progeny. (Pounds/Low Value)

WW..... Weaning Weight predicts differences in 205-day weaning weight. (Pounds/High Value)

YW..... Yearling Weight predicts differences in 365-day yearling weight. (Pounds/High Value)

ADG..... Average Daily Gain predicts differences in weight gain between 205 and 365 days of age. (Pounds/High Value)

DMI..... Dry Matter Intake predicts differences in daily feed intake as measured in a feedlot during the post-weaning period. (Pounds/Low Value)

MILX..... Milk predicts differences in weaning weight attributed to the milking ability of the animal's daughters. (Pounds/High Value)

ME..... Maintenance Energy predicts the difference in maintenance energy requirements. (Mcal per Month/Low Value)

HPG..... Heifer Pregnancy predicts differences in the percent of daughters who are able to conceive and calve at 2 years of age following exposure to breeding. (Percent/High Value)

CEM..... Calving Ease Maternal predicts differences in the percent of daughters who are able to calve unassisted as 2-year-old heifers. (Percent/High Value)

STAY..... Stayability predicts differences in the ability of an animals' retained daughters to remain productive in the herd – calve every year – through 6 years of age. (Percent/High Value)

MARB..... Marbling predicts differences in marbling score – amount of intramuscular fat measured at the 13th rib. (Marbling Score Units/High Value)

YG..... Yield Grade predicts differences in USDA Yield Grade, which is calculated using CW, REA and Fat. (Yield Grade Units/Low Value)

CW..... Carcass Weight predicts differences in actual hot carcass weight. (Pounds/High Value)

REA..... Ribeye Area predicts differences in square inches of ribeye area measured at the 13th rib.(Square Inches/High Value)

FAT..... Fat predicts differences in the depth of backfat measured between the 12th and 13th ribs. (Inches/Low Value)
